## <sup>\*\*</sup> Infant Sleep Australia

Sleep and behaviour diary

Please print this diary and shade in the squares when your baby or toddler sleeps. If you'd prefer an app, use 'Baby Tracker.'

## \*\*\*Check the example on the following page to be sure you are filling your diary in correctly. A properly shaded in diary ensures we have an accurate picture of your child's sleep.\*\*\*

## Infant Sleep Australia

## **EXAMPLE DIARY.**

Please make sure you shade in the boxes accurately, as shown below. This allows us to see your baby's sleep pattern and make an accurate assessment of their sleep.

For example, this baby fell asleep at 1.30pm so the diary is shaded in from half way across the 1pm box.
